GERMAN SYRUP.
We want to impress on our readers that Hoesche's German Syrup is positively the only preparation on the market today that does relieve and cure consumption. It contains the specific, such as pure tar, extracts of gum, etc., which have been so highly indorsed for the cure of coughs, colds and consumption by the great medical congresses. The consumptive, whether his disease is in the throat or lungs, must have rest at night, and be free from the spasms of dry and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. Small bottles, 25c; regular size, containing nearly four times as much, 75c. At Henry W. Bay's Drugstore.

River
News

The Boaz reached New Orleans with her big tow of Pittsburgh coal.

Snow in the mountains along the Upper Ohio is reported from four to six feet deep.

With the river still falling, many larges and boats in the Cincinnati harbor are left high and dry on the banks.

Thousands of Cincinnati sight-seers went to Coney Island Sunday to see the big geyser in the river, where the ice in some places is piled thirty feet.

Although the river situation is discouraging at present Captain Ed Howard of the Howard Shipyard Company at Jeffersonville is negotiating for many new boats and has several in the ways. When navigation opens up business will be lively for several months at least.

The Rivers and Harbors Committee of the House has set today as the time for a hearing on reports and recommendations relating to the improvement of the Ohio river. Representative Sherley will appear before the Committee and urge an appropriation by Congress for carrying out the improvements at Louisville which were recommended by the United States Board of Engineers.

Cured After Suffering 10 Years.
R. F. Harp, Supt. Miami Cycle & Mfg. Co. Mid-dletown, O., suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Koldi Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Koldi Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by J. Jas. Insanity,
Death or Health?

No. 2807 Locust Street,
St. Louis, Mo., March 20, 1904.
I was a victim of sleeplessness and extreme nervousness for eighteen months, unable to get a proper night's rest and feeling tired and worn out continually. I was easily irritated and hysterical at the slightest provocation, but Wine of Cardui gave me great relief. Within a week after I began using it I had my first real good night's rest that I had had for months. My appetite was soon restored, my general system toned up and nervousness became a thing of the past.
I am so pleased to acknowledge the great curative merit of your health giving medicine and gladly endorse it.

WINE OF CARDUI

We want to call your attention to the complete and immediate relief Mrs. Best secured by taking Wine of Cardui. Within a week after she began taking Wine of Cardui, Mrs. Best had her first good night's rest for eighteen months. Her restlessness was caused by nervousness and Wine of Cardui, as the best menstrual regulator, has no superior in the world as a medicine to soothe a woman's nerves. Nervousness and hysteria are warning signs of the approach of insanity and if relief is not secured the end can only be the asylum or the grave. With such an outlook as this before her, no suffering woman can reasonably refuse to give Wine of Cardui a trial. It brings a cure that thousands of women have sought for in vain. Will you secure a bottle of Wine of Cardui today and start treatment?

BOARD OF TRADE

Addresses Itself to the Wide-Awake Merchants of Maysville

MAYSVILLE, Ky., January 8, 1904.

To the Merchants of Maysville—Dear Sir: On Saturday, February 20th, 1904, we have our Fifth Annual Tobacco Fair. The four which we have held in the past have proven to be very successful. They have attracted to our city the best element of all the surrounding country and a large representation from some of the principal cities of this state and Ohio. It has also only been a day of social pleasure, but a day which has brought customers to our city who have thronged our stores and gone away laden with goods from our counters. You all say, by no means let the season pass without a Tobacco Fair.

The question arises at this point, how much of a success would the Tobacco Fair be if no one displayed any more energy or interest in its promotion than you are now doing? How many farmers have you spoken to with reference to it? How many posters have you sent out? And yet you expect it to be a success.

The Tobacco Fair is "Our Fair." This appeal is to you to go to work and do your part toward making the Fifth Annual Tobacco Fair the greatest event in the history of Maysville. Plan some novel feature by which to advertise your business. Arrange to give some souvenir of the occasion which may be carried away by the visitors as a pleasant reminder of the event. Send premium lists out in all your letters. Yours, for success,
JOHN DULEY,
President Board of Trade.

Dislocated Her Shoulder.

Mrs. Johanna Soderholm, of Bergen Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by J. Jas. Wood & Son.

WHITE HOUSE CELLAR

Where Visitors are Shown During the Roosevelt Occupancy

New York Sun.

"What a magnifying glass is every pane of every window through which the proud American citizen looks into the White House!" I clip the following from an editorial in Saturday's Sun.

Now, it is very clear you have not visited the White House recently, or you would know you could not look through the windows or enter its doors. You would be permitted to enter the cellar, and nothing more. After an absence of several years I visited the Capital last week with some friends—and after showing them around through the public buildings and the Library of Congress, the most magnificent structure in the world, we were to finish our trip by a visit to the White House.

We walked up the stone steps, well worn by the tread of thousands of "the free and the brave" for years past, and to the door which I attempted to open and walk in as of yore; but alas! the old democratic style has been changed—the doorlatch does not hang out there; a man covered with gilt lace and brass buttons stopped us, saying, "You can't enter here, this is a private entrance."

"What?" said I. "cannot be admitted to the White House?"

"This is a private entrance," said he; "walk to those steps and go down to the cellar; there are rooms down there where you can be admitted."

We walked into the cellar, through several dark and dingy rooms, bang with old and battered portraits of departed ladies of the White House. In one room we found the walls covered with pictures of the present Executive in every possible position—afloat, on horse, on a coach, tallyho, Rough Rider, etc. There was a large crowd of disappointed people in that cellar.

Many Sudden Deaths.

Swamp-Root is a disease prevailing in this season because of the cold. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and soiling pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

GIVEN UP TO DIE.

But Our Great Cod Liver Oil Preparation—Vinol—Cured Her of Consumption.

Mrs. J. G. Brown of Anderson, Ind., writes: "Our daughter Mary was on the verge of the grave with consumption. Our family physician had given her up—said she could not possibly recover. She was so weak she could take only half a teaspoonful of nourishment at a time. We read an advertisement of Vinol, and decided to try it as a last resort. She has now taken eight bottles, and her health has been restored in a marvelous manner, and she is as well as ever she was. Words are inadequate to express our gratitude to you and your valuable remedy, and we hope that other dear ones may be saved as ours was."

The reason that Vinol accomplishes such wonderful results in throat, bronchial and lung troubles is because it contains in a concentrated form all the vital principles of cod liver oil, but without a drop of oil to nauseate and upset the stomach and retard its medicinal value; the weakest stomach can retain it and it is delicious to the taste.

Vinol is the most valuable preparation of cod liver oil ever discovered, and we ask every person in Maysville who has a hard cold, hacking cough, throat or bronchial trouble to try Vinol on our guarantee to return your money if you are not satisfied with the results. J. C. Pecor, Druggist.

The Rev. T. McWhitt Talmage says—
"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and inducing a city or town than any other agency that can be employed. People go where there is business. Capital and labor will flock to where there is enterprise. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."
